

INTERNSHIP POSITION (paid) - SOFTWARE ENGINEER

Intellegant is a growing startup based in Brussels, Belgium. As a start-up, we offer a chance to get in the ground floor of an exciting initiative, helping to develop new technology in a fast-paced environment. Largely remote work is possible, and the chance for new opportunities and advancement is high, depending on the success of the candidate.

We are seeking a software engineer (**Degree in Engineering or Computer Science**), for an internal position to help develop an exciting new project in the life sciences technology field.

Responsibilities will include:

- Working with the team to develop and implement new product features
- Liaise with vendors

The successful candidate should have the following skills/qualifications:

- Ambitious and interested in cutting edge technology
- Passionate about web development and keeping up to date with the latest trends
- Flexible and resilient, to work with a small team
- Capable of giving and accepting constructive feedback
- A programming background with Javascript/ HTML5/ CSS3
- Background in at least one of the following language: Python, Java, C# or C++
- Knowledge of a major front-end framework (Angular, ReactJS, Vue.js or similar)
- Knowledge of web-frameworks (Pyramid, Django or equivalent)
- Be able to write clean, structured and maintainable code
- Be able to write cross-browser compatible code
- Understand API structures, REST concepts as well as JSON data structures
- Knowledge of Linux basics
- Good communication, team-work and problem solving skills
- Experience working in an agile development environment
- Creativity and out-of-the-box thinking
- Knowledge of D3.js and data visualizations is a plus
- Knowledge of Node.js or Python is a plus
- familiar with blockchain technology
- Fluency in speaking and writing English.

Should you be interested and should you satisfy the requirements indicated above, please send your CV and a letter of interest to info@intellegant.com.

We are looking forward to receiving your application!

Disclaimer: By applying for this position, you are authorising us to hold you CV and personal information on our secure database, allowing us to contact you about your application. If at any stage you would like us to withdraw that information and delete it, please email info@intellegant.com and we will action this for you.
